L. A. Bill No. 44 of 1969

THE TRAVANCORE-COCHIN ELECTRICITY SUPPLY SURCHARGE (REPEAL) BILL, 1969

A

BILL

to repeal the Travancore-Cochin Electricity Supply Surcharge Act, 1955.

Preamble.—WHEREAS it is necessary to repeal the Travancore-Cochin Electricity Supply Surcharge Act, 1955;

BE it enacted in the Twentieth Year of the Republic of India as follows:—

1. *Short title and commencement.*—(1) This Act may be called the Travancore-Cochin Electricity Supply Surcharge (Repeal) Act, 1969.

(2) It shall be deemed to have come into force on the 1st day of April, 1968.

2. *Repeal.*—The Travancore-Cochin Electricity Supply Surcharge Act, 1955 (XIV of 1955), is hereby repealed.

3. *Assignment of arrears to the Board.*—Any amount of surcharge collected by the Kerala State Electricity Board and payable to the Government and any arrears of surcharge recoverable, under or by virtue of the provisions of the Act repealed by section 2 shall be credited, or shall be recovered and credited, as the case may be, in the revenue accounts of the said Board as if it were the revenue accruing to that Board, notwithstanding anything contained in the Act so repealed.

STATEMENT OF OBJECTS AND REASONS

The Travancore-Cochin Electricity Supply Surcharge Act, 1955, provides for the levy of a surcharge on the price of all supplies of energy made by the Government (now the Kerala State Electricity Board) and the licensees. This Act is applicable to the Travancore-Cochin area of the State. When the Kerala State Electricity Board revised the tariff structure in 1958 for the supply of power to consumers directly supplied by it, it merged the surcharge also in the tariff and the practice of levying a separate surcharge from consumers was discontinued. But the tariff rates for supply of power to licensees was not revised in a like manner and therefore, surcharge under the said Act continued to be levied in areas served by licensees.

2. The Kerala State Electricity Board has revised the tariff structure applicable to licensees on the basis of grid tariff regulations with effect from the 1st April, 1968. The licensees in their turn have revised their tariff rates for supply of power to their consumers with effect from that date on a par with the rates levied by the Kerala State Electricity Board. Hence, it is considered unnecessary to keep the Act alive from the 1st April, 1968.

3. Since the surcharge is in the nature of a tax, the collections should go to the general revenues of the State. But these amounts were taken into credit for by the Board. In view of the fact that the Travancore-Cochin Act of 1955 was enacted to plug a possible lacuna in the earlier notification and also in view of the fact that the surcharge as such was not collected by the Board separately from 1-12-1958 and the element of surcharge was merged with the tariff in 1958, it is not reasonable to insist that the Board should pay the amount to Government and then remit it to the Board as subvention. It is therefore proposed to make a specific provision to allow the Board to retain the amount of surcharge so far collected and the arrears recoverable as its revenues.

4. The Bill is intended to achieve these objectives.

FINANCIAL MEMORANDUM

The Kerala State Electricity Board has been collecting the surcharge under the Travancore-Cochin Electricity Supply Surcharge Act, 1955 (14 of 1955) and retaining the same as revenues of the Board. Since the surcharge is in the nature of a tax, it cannot automatically form part of the revenues of the Board. It is part of the Consolidated Fund of the State. In view of the fact that the said Act was enacted to plug a possible lacuna in the earlier notifications and also in view of the fact that the surcharge as such was not collected by the Board separately from 1-12-1958 and the element of the surcharge was merged with the tariff in 1958 it is not reasonable to insist that the amount so collected should be paid to Government and thereafter Government remit it to the Board as subvention. The effect of the provision in clause 5 of the Bill will thus be that the State Government will have to forgo in favour of the Board, an amount of Rs. 122.66 lakhs which accrued due to the Consolidated Fund of the State.
